

SECLUDED, WITHIN AN OASIS

An Absolute stunner of a 'HOME'

An island within an OASIS, is the best way to describe this lovely home, with no adjoining neighbours on 3 sides and a manicured grass park as a neighbour, this home is as private as it gets.

A house that has street appeal from the moment that you walk up the very long drive way, triple car garage and parking for another 3 cars off street, this home would suit a large family, or those that love to entertain.

With 3 large ensuited bedrooms downstairs, one of which is a main bedroom complete with island bath and overlooking the very private gardens and lap pool, there's also a media room and off course a designer kitchen, which is the heart beat of the home.

This house was designed with one thing in mind, having fun and entertaining, there's multiple outside areas to relax in, breakfast bar with servery window to a shaded siting area near the long lap pool, & the highlight of the home, is the incredibly large upstairs main bedroom, this room can accommodate a king sized bed and lounge furniture, it has a luxury ensuite and a huge walk in robe, complemented with it's own entertaining balcony which looks out to the stunning Noosa sunsets.
